For Immediate Release

ITLNOW delivers a solution to preserve General Contractors drawings at an affordable price.
"by popular demand"

Lincoln, RI (September, 2005) – ITLNOW Inc., announces a new application developed specifically for General Contractors. This service allows General Contractors to preserve and manage their CAD drawings inexpensively. The following is our quick view of our solution and technology. Call us for a free quote on your CAD drawing.

General Contractors (\$.19-2.90 per image, minimums apply)

Problem:

1. Transmitting Wide Format CAD drawing
2. Making CAD drawing available to contractors/vendors/clients
3. Space Saver
4. Reduce the cost of delivering documentation
5. Able to access either on LAN/WAN network or existing business application
6. Having a Backup
7. Manage and Control Retention Periods

Recommendation:

In-House, Out-Sourced solution(s) or a combination

Technology:

Savin 4700WD Scanner or a like
Documentum ApplicationXtender
Documentum ReportXtender
MS SQL 2000
MS Server 2003

Solution:

Scan drawings onto CD, DVD, NAS, or SAN in format of your choice

About ITLNOW

ITLNOW has been providing business system solutions to many companies in many industries such as accounting, banking, government agencies, legal and healthcare. Our time tested approach focuses on solving business problems FIRST. Today, we provide a full spectrum of document information technologies - capture solutions from form design to document storage and retrieval. In addition, we offer "off-the-shelf" modules for the accounts payable, healthcare, transportation, accounts receivable markets....and more.

Vision Statement

As an organization made up of individual personalities and unique skills, each one of us is committed to providing you with the best possible customer experience. As a company, our mission is to optimize the business process infrastructure of our clients to enable competitive advantage.
