For Immediate Release

ITLNOW invites you to our quarterly seminar on your HOT TOPIC
"by popular demand"

Lincoln, RI (February 11, 2008) – ITLNOW Inc., announces that they have begun gathering information from their current and prospective customers to determine pertinent technology needs relating to document imaging. Per customer request, we are conducting seminars on topics that have an impact on the business community.

The top three topics of interest to date have been how document imaging can be utilized with PDA's, Tablets and Smart Phones. We have plans to schedule these seminars by request on a quarterly basis. Look for our hot topic coming near your local city.

Please respond by clicking here and completing the form.

We look forward to meeting you in June 2008!

About ITLNOW

ITLNOW has been providing business system solutions to many companies in many industries such as accounting, banking, government agencies, legal and healthcare. Our time tested approach focuses on solving business problems FIRST. Today, we provide a full spectrum of document information technologies - capture solutions from form design to document storage and retrieval. In addition, we offer "off-the-shelf" modules for the accounts payable, healthcare, transportation, accounts receivable markets....and more.

Vision Statement

As an organization made up of individual personalities and unique skills, each one of us is committed to providing you with the best possible customer experience. As a company, our mission is to optimize the business process infrastructure of our clients to enable competitive advantage.
